2020 CENSUS: WHAT YOU NEED TO KNOW

The Census is a count of every person living in the U.S. every 10 years. The count is mandated by Article 1, Section 2, of the U.S. Constitution to ensure residents in every state receive fair representation and resources.

WHY IS THE 2020 CENSUS IMPORTANT?

It's about making sure every voice in your community is counted

It's about resources for your community (schools, free lunch programs, college grants, housing vouchers and more)

It's about fair representation in local, state and federal government

HOW IS THE CENSUS DATA USED?

By law, U.S. Census data cannot be shared with immigration or law enforcement agencies

By law, U.S. Census data cannot be used to determine eligibility for government benefits

Census data is used to advocate for more resources for community members

Census data is used to inform public safety, and the building of new schools and hospitals

Census data is used to decide where to open companies and businesses, which creates jobs
