---

Dear Civic Members and Friends:

We want to assure you that we take the health and well-being of our community, and friends very seriously. Therefore, due to the Corona-virus (COVID-19) pandemic our April 7, 2020 Crestmont Park Civic Association Monthly Meeting has been **CANCELLED**. We'll keep you posted on future meeting and activities as we work our way through this crisis.

We are encouraging everyone to abide by the County's "Stay Home, Work Safe" order, and only go out for essential needs. For your convenience and information we have listed below sources that can provide lots of helpful and important information concerning this pandemic.

1. The City of Houston Health Dept has established a call center (832-393-4220) for citizens to speak to someone and to get questions answered. You may also visit [HoustonEmergency.org](https://www.houstonemergency.org) for updated information about local risk, routine protective actions, frequently asked questions, communication resources, rumor control, emergency preparedness tips and more.
2. Precinct One Harris County Commissioner, Rodney Ellis' Team has prepared a COVID-19 [Resource Guide](#) It has a lot of good information and trusted sources to help you and your family stay up-to-date and healthy during this pandemic. [\(Click Here\)](#).
3. For more information about COVID-19 and what you can do to keep healthy and safe, visit the Centers for Disease Control at <https://www.cdc.gov/coronavirus/2019-ncov/prepare/prevention.html>.

We are all in this together. If we each do all we can to protect ourselves from getting the virus, as well as, work to prevent the spread of it, then we all will have done our part to help conquer this virus and to restore our lives and community. In closing, we wish you much patience and strength to get through this rough period.

**ARE YOU COUNTED?  
Complete your **CENSUS2020!****

# YES!

TO CENSUS 2020

### YES, IT'S EASY!

It only takes about 10 minutes per person.

### YES, IT'S SECURE!

The census cannot share your info with anyone else, even other government agencies. It's the law!

### YES, IT'S ABOUT REPRESENTING ALL OF US!

The more people we count, the more seats our state gets in the House of Representatives.

### YES, IT'S ABOUT HELPING OUR COMMUNITIES!

Everyone should fill out the census so we don't lose millions of dollars in the next 10 years. After the 2010 census, our city and communities missed out on over \$10,000\* per person not counted.

### YES, IT'S FOR EVERYONE!

Anyone living in the U.S. should be counted, because every single person has the right to these resources.

\*The total financial impact of the census cannot be determined precisely per capita. Numbers used apply to the state of Texas and are provided by Counting for Dollars 2020: The Role of the Decennial Census in the Geographic Distribution of Federal Funds.
