COVID-19 VACCINE DISTRIBUTION EVENT FOR SENIORS

Good-morning,

Harris County Public Health is piloting a COVID-19 vaccine distribution event for seniors at one of our community centers. They've asked us to hold an event at Youth Education Town (YET) located behind our Finnigan Park Community Center, located at 4900 Providence, and we are rapidly registering individuals for a small number of available appointments.

The appointment slots are on a first come bases. The first vaccine dose will be administered on January 22, 2021 and the 2nd dose will be administered on February 19th, both vaccinations are by appointment only. Appointments are being scheduled for seniors 65 and older only. Because this is a two-dose vaccine with a specific time-frame, HCPH is only able to

hold the second dose event on February 19th. If you are not available to come back to receive your second dosage on February 19th, we recommend calling your primary care doctor or Harris County's Vaccine Call Center and getting on their wait list for vaccine appointments held at multiple dates and locations throughout Harris County.

To schedule your appointment, please call **281-799-6712**. As a friendly reminder, the appointments are on a first come bases. Only seniors with scheduled appointments will receive the vaccine. Precinct One Senior Division staff are unable to schedule appointments for constituents.

For other available vaccine resources, you may call the Vaccine Call Center number is 832-927-8787
